

LAWRENCE/NELSON PUBLIC SCHOOLS

Home of the RAIDERS

October 15, 2014

Dear Parent/Guardian and Patrons,

This letter is to notify you that, if your child is eligible for free or reduced lunch, he/she is eligible for free supplemental educational services this academic year. These services will be provided before school or after school. The services will be in addition to the instruction that your student receives during the school year.

You can choose a tutoring program from Nebraska's list of approved Supplemental Educational Services (SES) Providers. The goal is to help your student increase academic achievement in reading, language arts, and/or mathematics.

This notification letter is being sent to you in accordance with the No Child Left Behind law. Students are eligible for this program based on family income and attendance at a school that is identified as being in School Improvement for 2 or more years. If services cannot be provided to all students applying, the school/district will prioritize based on academic need.

A list of Nebraska's approved providers is attached. These providers have agreed to provide services that are consistent with the instructional program of the district/state. They have also agreed to provide you and your student's teacher(s) information on the progress of your student.

Please complete the attached enrollment form and return it to Dana Epley at Lawrence-Nelson Elementary School by the end of the work day on Tuesday, March 10th. Call 402-756-7120 if you need additional information or have questions.

Sincerely,

Dana Epley
