Picture Retake Day

If you are not satisfied with your child's picture or they were absent on picture day, a RETAKE day will be September 20th.

1. Please return the ENTIRE picture package to the school office as soon as possible (do NOT cut or remove any of the pictures from the original packet.) Your child will not automatically have a retake picture taken unless the initial packet is returned to the school office or if the student was absent from school on the original picture date.

2. Please write what you did not like about the picture on the 'window side'. Please be specific, the photographer will do her best to pay close attention during the retake picture to prevent it again.

Examples: glasses glare, eyes blinking, fly away hair

If the reason for the retake is due to something the child did or did not do, you will be required to pay for the new package. (ex: wrong shirt, didn't take jacket off, wouldn't smile, etc)

3. If you did not order a school picture packet and would now like to order, please get envelopes to Angie Kathman or Pam Wehrman by retake day. Extra envelopes will be at the office.
